

**praxis**  
BORDERLESS LEARNING

**British International  
Secondary Programme**

## British International Secondary Programme

*Praxis School promotes student achievement, engagement, and wellbeing. Promoting a 'student focused' approach helps us to set expectations and promote inclusion within a positive learning climate. We implement evidence-based High Impact Teaching Strategies to achieve diagnosis of learning needs, identify, unpack, discuss and model the strategies, and collectively review them as part of observation rounds. This approach creates opportunities for authentic and rich learning tasks.*

## PROVIDING QUALITY ONLINE BRITISH EDUCATION AT AN AFFORDABLE COST

We offer an international curriculum for children aged 6 – 19.  
They are designed to cover Years 1 – 13  
(Key Stages 1, 2 and 3, International GCSE, International A Level).  
They're open to children of all abilities in all parts of the world,  
and they provide a strong foundation for  
later learning.

## WHY PRAXIS?

### Evaluation Centre:

Parents can access one of our nationwide evaluation centers. Receive real-time evaluation and academic results. We facilitate these events to provide our Primary School students with creditable academic reports each term. Our parents receive valuable consultation on their child's learning.

### Teacher and Facilitator

Each student is assigned to a subject specific teacher and facilitator. The teacher is responsible for creating lesson plans that direct the course of study students follow. Clear and concise objectives delineate what the student learns on any given day. The teacher is responsible for measuring how much information the student learns. The Teacher-Facilitator provides an educational atmosphere where students have the opportunity to fulfill their potential for intellectual, emotional, physical and psychological growth. They evaluate the needs and abilities of students and determines methods and techniques to best present and provide instruction and learning objectives. They monitor and implement strategies of High Impact Teaching as well as promoting personalised learning outcomes.

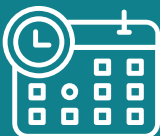

### Virtual live lessons and interactions

Live contact time with teachers and collaborative group discussions. Using the latest conferencing technology.

- Structured Timetables.
- Monitoring of students attendance and timetabled support.
- Enhanced Curriculum.

### Structured Timetables

Monitoring of students attendance and timetabled support.

### Enhanced Curriculum

To further support 21st Century skills we offer Tertiary Courses as part of our enhancement programmes to our students:

Our partner courses are facilitated by Open Window:

- Software Training: Adobe Bootcamp
- Software Training: Premier Pro
- Software Training: Blender Basic
- \*Software Training: Solidworks

*\*These courses are subject to availability*

All courses offered are only available to EHS and Praxis students.

You can download course information [here](#).

*\* This course offering is unique and offered only to our own students.*

## Accreditation

Praxis Online School is accredited to offer the iPrimary, iLowerSecondary, International GCSE and International Advanced Level examinations with Pearson.

**Pearson**  
**Edexcel**

## What we offer iLowerSecondary

*Ages 12 - 14*

### QUALITY SECONDARY EDUCATION

Class sizes are small, a maximum of 25 students in any class. This ensures that each student receives the vital teacher attention and promotes personalised learning where every child can learn and achieve. Lessons are every weekday morning of term time and every lesson is recorded. This means students, and parents, can revisit the lesson at any time, ensuring that no topic or subject is left without being fully understood.

*BENEFIT FROM THE RICH AND ENGAGING  
EXPERIENCE OF THE SCHOOL'S  
POWERFUL LEARNING PLATFORM.*

## Assessments:

Formative and summative assessments with full evaluation of each student's progress is reported on academic records. Evaluation times might be recommended on a case-by-case basis at one of our nearest access points.

## International examinations:

The iProgress family includes:

- iPrimary
- iLowerSecondary
- International GCSE (IG)
- GCSE
- International Advanced Level (IAL)
- GCE A level

It delivers a consistent learning journey, with world class support services, for students and teachers, everywhere in the world.

## Key Stage 3 – Ages 12 to 14

### Core subjects:

*International British curriculum*

- English
- Mathematics
- Sciences
- Global Citizenship
- Computing

### Additional enrichment subjects:

*CAPS enriched subjects*

- Afrikaans
- Arts
- Social Sciences

### ActiveLearn Resources:

- Ks3 Maths Progress
- Exploring Science
- Inspire English International
- Mindspark Mathematics Programme
